At the last meeting, the Secretary was asked to circulate a list of the Club's membership, in case the novices need help from the "old pros". The Club has a TVI Committee.

I was quite surprised to find so few fully paid members of the Club. If I have missed anyone who is fully paid, please let me know. Needless to say, the Club could use more money in its treasury. The more money we have, the better the club program. Why not see Roy about it?

Walt Lenk, K1YTY
Secretary
